CSI,  
BUGSA-PALOOZA!

# Sci Tech Summer Adventure Camps

## JURASSIC JOURNEY

TRAVEL MILLIONS OF YEARS BACK IN TIME TO SEE HOW THE DINOSAURS LIVED. INVESTIGATE WHAT CAUSED THEIR EXTINCTION. BE A PALEONTOLOGIST AND WORK TO FIND AND IDENTIFY DINOSAURS IN OUR DINO-DIG PIT. VISIT OUR OLD MASTADON FRIENDS AT PHILLIPS PARK.

## Green Power

Your mission is to save the Planet! This camp will explore the exciting science behind New Energy Sources, the effects of pollution on land, in the air, in our own Fox River, and how you can make a difference. Discover how to go green with the help of cutting edge home made science techniques that you can use at home. Learn the Power of Green Power and become an Ecological Super Hero!

## Crime Scene Investigator

Join our crack SciTech CSI team to solve the Mystery of the Missing Mastodon. Spend the week learning how to find and analyze clues, examine evidence and draw conclusions. We'll tour the Aurora Police station to see what it means to get "booked"-complete with Fingerprints and Mug Shots!

## BUGSa-PALOOZA

Are you ready to get down and DIRTY? Explore native species of insects from wetlands to the river to the city. Examine insects' contributions to our planet. Examine up-close how insects are classified and named. Identify your "inner insect" and meet other bug friends. Attend Miss Spider's Tea Party!

## Journey to the Center of the Earth

Start at Mt. Everest and travel across the continents, then to the center of the Earth. Unearth the mysteries of the Earth's layers. Examine how Natural Phenomena such as Tornados, Tsunamis, earthquakes, and volcanos occur. Identify the 7 wonders of the Ancient World. Design a new wonder of your own!

## KITCHEN

COOKING IS CHEMISTRY with a purpose. Unravel the mysterious workings of ingredients such as salt, vinegar, baking soda, cornstarch and sugar. Learn how YUMMY reagents and catalysts can taste! Identify which ingredients DON'T mix! Wrap up the week with an offering of the concoctions you created in the kitchen for a fun-tastic Feast.

Bon Appetite!

## CHEMISTRY

## Robotics

Build and Battle your own Go-Bot creations using Lego-Mindstorms in a week of creation and destruction. Go-Bots will be built to code and perform tasks for daily challenges. Bring your big Ideas!

## TOTALLY BALLISTIC

NEWTON SAID, "WHAT GOES UP MUST COME DOWN." WE'LL SEE ABOUT THAT... LAUNCH ROCKETS, CANDLE KITES, CANNONS, TENNIS BALL MORTERS AND SLING A CATAPULT FROM SciTECH'S OWN BACKYARD. DESIGN YOUR OWN ROCKET AND PREPARE FOR BLAST-OFF! WHO SAID ROCKET SCIENCE WAS JUST FOR NASA?

Pricing: First Camp    Multiple Camps One Child    SciTech offers on-site Before and after Care:    Before Care    After Care  
 \$275.00    \$265.00    8-9 am \$25 per Week    3-5 pm \$45 per week

SciTech reserves the right to cancel or combine classes with low participation

"My son had so much fun at SciTech that he's still talking about it. Everything from spit-balls to rocket propulsion excited him and **taught him how to question and explore new things.** I won't hesitate to send him back to SciTech!"  
 - Lisa R., mother of Griffin

"My daughter loved CSI: Crime Scene Investigator. She couldn't wait to go in the morning. "Disguise day" was a big hit! Thank you!"  
 - Shauna W., mother of Libby

# SciTech Summer Adventure Camp Registration Form

## SciTech Summer Program Registration Form

Please use one registration form per child  
Session times 9 am to 3 pm

### Prices for SciTech Summer Camps:

First Camp  
\$275.00

Multiple Camps (one Child)  
\$265.00 per Camp

Member Price  
\$ 250 per Camp

Before Care ( 8 am- 9 am.)  
\$25 per child per week

After Care ( 3 pm to 5 pm)  
\$45 per child per week
